To Whom It May Concern:

We have used Rusty's Mobile Café & Catering for our Employee Picnic for several years and we have always received outstanding service as well as outstanding food. Everything Rusty serves tastes delicious and is of the best quality. A few of the favorites among our employees are the Fried Flounder, Baked Beans and Loaded Potato Salad. Everyone is always excited to learn that Rusty is available to cater our picnic!

It is extremely nice to have a full service caterer to take care of all aspects of planning a meal for a large group. I never have to worry because I know Rusty is experienced, professional and will do whatever it takes to make sure we get the best service possible. I can relax and enjoy myself because I trust him to do a great job.

If you are looking for a catering service to provide an excellent meal and first-class service, look no further – Rusty's Mobile Café and Catering is the best there is!

Sincerely,
